Dear Mr. Sands:

Please be advised that the firm of BRODY, BENARD & BRANCH LLP has been retained by Dr. Leonard Bernstein and Dr. Jane Holmes Bernstein with regard to their claim of non-return of property and probable damages sustained as a result of thereof.

As you are aware, my clients have made several requests to secure the return of their artwork titled "Electric Chair" by Andy Warhol, but to date you have failed to do so. It is most unfortunate that it has come this but my clients now demand the immediate return of their property. In the event you fail to do so they are prepared to take whatever actions necessary to secure its immediate return.

Upon receipt of this letter please contact my office, within the next 5 days, to make arrangements for delivery of my clients' property.

Should you fail to immediately return "Electric Chair" we will have no alternative but take all appropriate steps to pursue this matter through the courts.

Thank you for your cooperation in this matter.

Very truly yours,

Neil Brody
